RE: SP-095 Amendment 1 – Right-of-Way Special Permit – *Weed Terminator 20* (EPA Reg. No. 85208-1-93740) Product Addition

Dear Mr. Morrison:

This letter shall serve as an amendment to 2023 Special Permit SP-095, issued to Municipal Pest Management Services, Inc. on behalf of the City of Dover Community Services, in order to conduct control of unwanted vegetation within various rights-of-way.

SP-095 Condition #1 shall be amended to approve the use of *Weed Terminator 20* (EPA Reg. No. 85208-1-93740). All applications under SP-095 shall be made in strict accordance with the label requirements. All Conditions of the original SP-095 that are not superseded by this amendment shall be followed.

If you have any questions concerning this addendum, please feel free to contact Matthew Bosiak of this office at 603-271-3695, or by e-mail at [matthew.w.bosiak@agr.nh.gov](mailto:matthew.w.bosiak@agr.nh.gov).

Sincerely yours,

David J. Rousseau  
Director  
Division of Pesticide Control
